Shirley, I am so sorry. Both of your parents, Hillory and Hazel, were a part of my life for ALL of my life! I can remember so many wonderful times spent at the Armory with my Daddy and seeing your dad. I remember the National Guard Christmas parties and reunions and your parents were always there with smiles and hugs! They were both very, very special to me, and I too feel as if I have lost family. But if they were only a part of my life, and I have so many wonderful memories, I know that you and your family have mountains of memories to recall as you go through this time of grief.
