I guess with being his name sake I should start this off. I remember him being a gentle soul that deathly afraid of snakes yep would literally crap his pants. I remember when me an my uncle Ronnie put a couple fake rubber snakes in his and my grandmothers bed. They went out dancing I believe it was and when they came home to go to bed he stuck his arm under his pillow and he jump out of his skin so fast and darted to the kitchen screaming like a little girl. Funny when things like this happen how a whole bunch of memories come back sorry for everybodys loss.....your oldest grandson and name sake woody Alan
