Tony and I will remember Gloria as a very kind and lovely person. She would walk her dog every morning, and come by our yard and pick up our paper and put on our porch, so we didn't have to go out in the yard for it. She just did it, she certainly didn't have to. but she was nice that way. The last time I saw Gloria, we were at our neighbor's house, and she had heard about me making chop suey at home. She thought that sounded so good and I promised to bring her some, the next time I made it. I owe you some, Gloria. I will think about you every time I make it now. Rest in God's love. You will be missed. Tony & Betty Faria
