I was just thinking about you today and when I went to contact you I was hit with the saddest news of your passing. I can't believe that Our last talk a few years ago would be the last time I'd ever say goodbye to you. You will be in my thoughts always and I will continue to keep rheyne in my prayers for the rest of my life. Thank you for that first kiss a memory no one else can claim but you! Love you always Shane
