My dad, Jake Wheatley, was a friend of Lloyds when he first opened his auto glass company. I worked for Lloyd part time when I was 17 and beginning college, that was at Auto Glass Dist. Over on Buffalo. Lloyd was a great guy and a good businessman. We used to go skiing at his place in Lutz. I remember he had a German shepherd that used to ski! Fond memories! DJ Wheatley

Lloyd was such a wonderful soul. I've had the pleasure of knowing and dealing with him for our shavings for our barn for many many years. I always knew I could contact him and that he would keep his word, go beyond the call of duty and be funny and kind at the same time. He will be so missed. There are no very many people left like Lloyd. I pray for peace and comfort for his family. Kim Corkins

Death leaves a heartache no one can heal; love leaves a memory no one can steal. You will forever live on in our memories as one of the kindest, most sincere human beings we have ever met. We will miss your smile and friendship. Lloyd will not be a memory. "He is a living presence". Our deepest sympathy Doug, Elizabeth and family.Bob and Shannon
