**Arlene Sheridan Jones** posted:

Such great memories in the 70's and early 80's, my husband David and I were friends With Berlie and Charlie. Great memories of dinners together and times of praying together. Good days in church. As we also worssipped together. We moved out of state after, Dr. Passed away. I was in the SC mtns. Was not aware she had graduated to heaven. What rewards she is receiving.. I will see her again....
