Dawn, you have left such a loving and powerful legacy. Your strength and charm lives on through your lovely girls . They are blessed to have had such a loving mother who devoted her life to them. You were always so proud of her girls. I am so proud of your courage and your fight. You are missed. I am so thankful that your life touched mine. Terri

Very, very, sorry your loss. Dawn was a beautiful woman and I will miss seeing her every now and then around the Lakeland area. She once told me that if her cancer ever returned she was not going to fight it, I told her she must. I do not know if she just did not want to fight on or not? Only she knows the battle she faced and the issues one faces when fighting such a horrible disease. I have and will continue to pray for her and all of her family members, I know she was loved and will be dearly missed by all who were lucky enough to have known her. God bless her and all of you in the time of sorrow. I as well pray for God to give you all the strength you need to cope with your loss. May Dawn Rest in Peace in God's hands for Ever.
