Mary, you were loved by everyone that ever met you. Your light and your spirit and your child like personality lit up a room. All the kids loved you, you spent so much time with them in play... to me, you were so funny and I will never forget the times you made me laugh... I know you're looking down from above and see all the love and finally realize how much that you are loved. I pray that you watch over us all and be our light and guide us through our storms until we see you again... I love you sis

Mary was such a beautiful soul and joy to be around. She was always there to lend a helping hand or hug. She will be missed so much and is loved by so many. My heart is broken that she is gone so soon.
