You are & have been my whole world since I was born but even more so since I was 9. We have had up's & down's but what child & parent doesn't! I'll always have questions & always wish I could change everything. You made me so strong & tough and able to deal with this world & I'll always be forever thankful I had you as my daddy! Kinley already misses you like crazy & of course is so confused but I'll never forget every minute we had with you & how amazing of a PawPaw you were to her! I LOVE you daddy!
