Our family is so heartbroken for the Wise family. I am so grateful to Papa and Nannie always treating us like a part of their family. I remember meeting Nannie when Johnny and I first started dating. What a sweet sweet woman. She was always willing to have my children over at her home anytime. I wish every family could know the warmth and kindness of your family. If everyone treated their own families the way you all do wow what a better world we would live in. Thanks for letting us be a part of your lives. We Love all of you more than any words could express. Rest in peace Nannie ❤️❤️

My thoughts were to come to visit my friends & neighbors in Florida. In searching for Pete & Ruby, I stumbled across her obituary. I am shocked! She & her husband were my neighbors till I moved away years ago. The two of them were such wonderful neighbors! There was never a dull moment with Ruby & she definitely loved her family! I can almost hear that southern twang of hers when we would talk. Ruby was a go getter, nothing slow that woman down! I've missed them both since my move, always wondered how everyone was, her sons & grands. My daughter Anna grew up with Courtney & Timmy & it was such fun when the children got together. I'm sad we didn't get to see each other before now but thankful for the internet to even find Ruby's memory. My condolences to Pete, Ruby's children & grandchildren. Teresa Yoder
