Dear Trish, Mike, Jim, Bill and family, my heart goes out to you during this time of loss. I have wonderful memories of your Mom while growing up. She was a lovely lady and will be missed. It was her time to soar with the Eagles. She's earned her wings! Sending love to all.

My heart goes out to you for the loss of your lovely mother/grandmother. I remember she was always smiling. In our younger years she was so much fun to be with. I picture her now with God, smiling down at her lovely family, whole and free of pain. God bless all of you. 🙏

Dear Family, Your mother/grandmother was my 4th grade teacher. Her creative style of teaching, her enthusiasm for our learning has been an inspiration for my 25 years of teaching. I tell the story every year to my students of the time she left every student a note at their desk that said that without failure we could never really learn. She was the only teacher I ever had who allowed me to really pursue my interests in learning. You all got to grow up with her, but she left a mark on me which has impacted other generations of learners. My heart goes out to you in your loss. I am so grateful for having the opportunity to know her for that one year.
