Our family is so sorry to hear of the loss of Louie. Our condolences to your family. Louie was a good friend of mine for probably 30 years and I've ridden motorcycles with Louie on Wednesday nights for more years than I care to remember. He was always fun to be with and always good natured with a smile and a laugh for everyone. I'll never forget one Wednesday night we were coming down 471 from Webster after dark and Louie's sportster engine let out a fireball and then quit running. Louie like the gentlemen he was took it stride and we all had a good laugh about it. Take care Louie we will all miss you. Tom Burrey
