After he finished his tour of duty they came back to Rising Sun, MD to live. Then in December of 1977 their second child, William Robert, was born.

Randy followed his job to Newark, DE, Clayton, CA, Auburndale, FL, Mooresville, NC and then back to Florida in Winter Haven to enjoy their retirement.

Evelyn, Sherry, and Bill-So sorry to hear of Randy's passing. Your family will continually be in my prayers. I think that everyone would agree that with Randy, you get what you see. He believed in living his life a certain way and he did it to the fullest.Randy worked hard and he expected you to do the same. Never asking you to do something that he was not capable or willing to do himself.He was always very stern, but it was because Randy was passionate about finding the best in people and guiding them to be the best version of themselves. I believe that Randy saw something in us that we did not see. Randy was one of the most compassionate people I have ever had the pleasure of knowing. I will miss our chats and all of the free advice that he gave. Rest in Peace my sweet friend.Wanda Sandlin

We have known Randy for many years. He was the Plant Manger for Southern Container and was responsible for bringing our family to North Carolina from Pennsylvania. Randy was a good friend, especially during an awful time in our life when our 9 year old son was diagnosed with cancer. Randy had a great sense of humor but it is his kindness that we will always remember him for. Prayers to Evelyn and his children. RIP Randy, you will be greatly missed by many. Bob and Beryl Frey

I was fortunate to work for Randy at southern container starting in 1996, Randy gave me my first big break and given me a job begun the only female forklift driver, Randy would always tease me and say he was a better driver than me, we had a lot of fun working together and he will always remain in my memory and thoughts, as begin the only one that stood by me when everyone else had turned me down, your love and kindness will always be remembered, RIP

I sure do miss you dad. Right now it feels like a dream and I will see you when you come to visit. Your grand children miss you and are trying to understand why you aren't here anymore. Bill and I will be here for mom and make sure she's ok. You were the greatest role model for us and taught us the meaning of hard work. I'm great full that I had you as my dad and will cherish every memory I have shared with you. I love and miss you so much dad.
