Wayne Brady posted:

Best friend and brother in soul. We had may smiles together, good times that will never be forgotten. Through good times and bad, in my heart you were always there. We walked may paths together, but many more we never got to share. We played music together, drew masterpieces that only you and I could appreciate, we worked together but none as of late. I only wish we could have had one more laugh together. I love you buddy... -Wayne
