Elizabeth York lit a candle in honor of Robin .

In this world; we encounter many people in our lives. I met Robin as a result of his and Julia's friendship with my mother; Mary York Dolen. She considered him her brother. I felt honored to be a part of that friendship and they both treated me as a daughter when mom passed. I am a better person because I met this gentleman. He was a true man of God and a leader of souls to The Lord. Heaven is a brighter place today. Love to Julia and the family.
