I meet Judy when I was 12, when her and the Pastor came to New Testament Baptist Church. I could write a book on how much fun we had thru the years. Judy was a good friend to my Mother & Grandmother, her and the Pastor came to there house a lot. After my Mother and Grandmother passed away Judy became my Mom. Robb & Shawn (my Children) grew up calling Judy Grandma Judy. Then my Granddaughter Jaydn came along and also called her Grandma Judy. Judy I will miss your smile and all the little talks we used to have. I love you your 2nd Daughter Teresa

I first met Judy forty years ago when I joined Pastor Matthews church. I have always thought of Ms Judy as a sweet Lady. Feisty but kind and sweet. I also worked with her at K - Mart for several years. She was our door greeter and kept those stock boys jumping. She would send them out to collect carts and then give them change for break. She took care of her customers and enjoyed people. Later as things change as they do myself and Teresa left K-Mart. We could not leave Judy behind so we took her to Wal-Mart and helped her get a job where there were people working that cared about her. There are those people that leave a mark in your life. Judy was one of those people. She will not be forgotten. Love Lynn
