Becky Burress

AUG 31, 1965 - JUL 16, 2019

Becky Burress, event coordinator and court stenographer, died very unexpectedly on July 16th, 2019 from a cardiac aneurysm.

Becky is survived by her two daughters, Rachel and Sarah Burress; her mother, Jeanette Bolick; and her sisters, Lisa Franklin and Lori Cloud. She was born on August 31st, 1965 to Cecil Fultz and Jeanette Bolick. She graduated from Winter Haven High School in 1983. She moved a few times throughout her life, but Polk county was always her home.

Becky was an avid adventurer, she loved everything outdoors, especially the beach, and she enjoyed running and biking.

Some of her biggest passions included cooking and music. She always dreamed of opening up a small food truck for her favorite foods, and she was always the queen of music trivia.

Becky was loved by so many. She was the type of person you fell in love with the moment you met her. She had a contagious, radiant smile that brightened any room she was in. She will be missed so much.

I can't believe you are gone. Becky was my big sister and an awesome aunt to my 3 girls! She loved to braid my oldest hair and taught her how to braid. Becky was a ray of sunshine and I cherished our talks. Over the last few years we had grown close again and I will miss her so much!

One of my favorite memories of "mommy" was the first time I met her. I spent the night at her house with Rachey.....we had just become friends. I woke up to hear her typing(love that sound) and her sweet voice. She turned around while on the phone and held her "shh" finger in front of her beautiful sweet smile. I instantly felt like I was hers 😊 we went to many shows at the Straz, ate at Coopers Hawk and the BEST of Mommy's cooking. Her cooking made me feel at home and her passion reminded me so much of my dad's love to cook. I loved talking to her about music, she always made you feel special.

I have known Becky since the NAFAC days and then we ran the first 7 UCAOA conventions together. Becky is dear to my heart and one of the friendliest and engaging people I have ever known. She truly made the world a better place every day! She will be so missed. The UCAOA convention will not be the same without her. We will never forget you Becky! My sincere condolences to her two daughters whom she completely adored. God bless you, John Koehler MDRockford, IL

I've only known Becky a short 3 years but she was by far one of the sweetest woman I know. She was always so positive and up lifting. She was always a blast to be around. It didn't matter what it was weddings, party's, bridal showers and much more. She was always there! I'm expecting my 2nd son in 5 days and it kills me knowing how much she wanted to meet Cayden and now she's not here 😞 I know she's looking down on everyone though and making the sun shine ☀️ You will be missed so much BECKY! It really was always a great day in Becky's world! We love you♥

I am so sorry and shocked to hear of Becky's passing. I had been out of contact with her for years; last time when we attended Bell Shoal's together; 15 years ago. She was always cheerful and funny to be around. I really liked her a lot. She was one of a kind. Dawn Lyle

I am still in shock!!!! I have many memories of Becky and Lisa coming to SC with JoAnne and Cecil. I still remember one time in the pool, we was playing around and I called her Lisa. She sung me the song!! I am not Lisa!! I know family you are at lost 2x, just with Gary passing and now Becky, please know you are in my prayers and thoughts!!

Becky and I met as colleagues but became fast friends!!!! We communicated by phone for the first few months after we had met planning the initial UCAOA conference. I was so excited to meet her in person before the conference and my boss at the time told me to report to her and help her with whatever she needed when I arrived in Florida at the venue. I called her after I checked in and said "I'm supposed to report to you to help. Where do you want me?" She said, "I'm at the pool!!! Get down here!" We soaked up the sun and worked after that!!!! will forever treasure her friendship and I will miss her dearly!

My precious friend, miss you so much. We have so many awesome memories, fun times and helping each other through difficult times. Even though we didn't see each other often, it was like no time had passed when we got together. I know you are looking down on us from above. Love you.

It had been a while since I last saw Becky. But I always thought of her on my birthday. As you have heard she loved music. And in my birthday or whenever we would see each other she would sing Steve Winwoods song Valerie to me. As it happened on the Monday before she passed I was at my gym and some newer version of the song came on and I immediately thought of her.

Even though I didn't get to see her much in the last several years, I remember her coming to South Carolina and we had so much fun when we were young. She was the best. We had our girls around the same time. They even got to play together even though they will not remember it. Such fun times. She will be missed by so many. Sending prayers for all of you.

I miss you. Not a day goes by that I don't yearn to give you a big hug and see that beautiful smile of yours. I miss you more than my words can even describe. I would do anything to give you one more hug. I miss our talks, the laughs, spending time with you, and everything else about you.

A cherished memory that has been heavy on my heart lately is from when I was a little girl; There was an empty field somewhere in Brandon to had the most gorgeous view for sunsets. We used to go pick up food, just the two of us, we'd park her car out in that field, eat our dinner and watch the sunset together. ❤️❤️

Becky was an amazing person. She always wore a smile and always thought of other people first. She was a friend with unconditional boundaries who really valued the gift of other people's friendship. I still can't believe she has moved on. I'm just so grateful I got to know her while I had the chance. Having been away for the last 4 years I was so blessed to have gotten to run into her just a few weeks ago. Beck- you will be so missed by SO MANY! Xoxo!
