I remember the beginning of your and Brenda's life at Bethel park and as young teens I remember the fun we all had but most of all the spark that lit you up when you met Brenda and the only time your spark got brighter was your love for the Lord, you will be missed but never will forget what a wonderful, loving, caring man you are!

Our prayers and thoughts go out to Brenda and family. Joe was a joyful upbeat guy who loved the Lord and always had a way to make you smile. I just found out about Joes passing, and although this is a sad time we can also celebrate knowing he is with our Lord. God bless, Sandy and Jack Keightly.

I remember - we were at the opening ceremonies of Covenant Hills - still staying at Bethel Park - We were walking around the park checking it out and Mark was with us not sure Brian might have been too and you came looking for your brothers. When you found us as soon as you saw Brenda your face lit up and you told us that day you were marrying her :) and from that moment on it was Joe and Brenda. Through the years we had many good times and there for each other for not so happy times. Your postcards always came at the moment i needed them. Nathan remembers you riding your bike to our door for a quick visit. Chad remembers you too as Uncle Joe who always made us laugh. Thank you for taking my sister and showing her a life of love
