**Billie Yaeger** lit a candle in honor of John.

John, I love and miss you every day. The tears still come down, never have gone away. I think of the love and happiness we shared each day. I visit you and the boys frequently and say a prayer at your grave. I thank God that we found each other after all the years and that we shared the good times and the bad. You fought every day to make the best day you could despite your challenges and it made me love you that much more. Love and Miss You Baby, Your Fiance Forever, Billie
