When I was a little kid, he'd shoo me outta the fish house with the hose, until I got to it first one day. :) He was a good man, always willing to help a friend. I'll miss him.

My dad aka "pappy" is an amazing man. Most everyone who met him, loves him....after he talked their ear off lol. I got my gift of gab honestly from him. One of my most favorite memories is when I was little he brought home a huge frog for me. I kept this frog in a kiddie pool covered by plywood until it escaped. My mom did not like my pet. She hates frogs lol.
