Jeanne, a dear friend since nursing school 55 years ago. Happy memories fill my mind: weddings, raising our children, working together, always making time to stay connected. Our visits in Florida are some of our fondest memories: days of shopping together, lunch with the guys and dinners lasting the whole night, all of us laughing till we were in tears. The best time of all was when we were together jumping up and down, screaming, when the Patriots came from behind and won the Super Bowl in 2016! Jeanne, we know you are with God now because of the way you lived your life as a kind, loving, caring wife, mother, grandmother, friend and nurse. You will always be in our hearts and never forgotten. ❤️ Jeanette and Paul
