I am so very sorry to hear of the passing of my dearest childhood friend. I was writing her a Christmas card, when I saw this. My fondest teenage memories are of her. Forever in my heart.

Your life was full, adventurous and exciting! So many memories of the places you visited ... and the stories you told ... kind of like John Denver's song of the ship "Calypso". You were always a joy to be around, from the early years of childhood to your retirement and move to Florida. We love you and miss you already. Eternal Memories
