My beloved sister in law. Like I mentioned before I treasure lots of beautiful memories of you and us (the Colon family). I do want to say that I've never need a person so personal like you. So wise like you. So loving like you. So compassionate like you. You would talk to with smoothness. I never saw you angry. You was strong character but so loving at the same time. Strong character because you dislike wrong doing, although you handle everything in peace. Your passion for the animal was overwhelming. I remember every detail about you and I promise I will never forget them 🙏.i wished I had more time with you after the passing of my brother (Tony) but life just takes us in different path with the same good memories. I know you are resting in peace no more pain, suffering, no more loneliness. I'll see you in heaven some day 😭❤️🙏

Hermana querida , siempre estarás en mi corazón. Lamento tanto tu partida y mucho más en la forma en que sucedió, sin un beso sin abrazo. Ya no más sufrimientos y Soledad.

Agradezco a todas las enfermeras y médicos que estuvieron cuidando de ti y aliviaron tu dolor y Soledad. Algún día nos encontraremos y nada evitará que nos abrazamos. Maggie
