I worked with Batman, during his short stint, at Sam's Club. What a guy! He always made us smile and was a joy to work with. We were sad when he left us to pursue something else. Very sad news this is. Condolences to his family.

Tim was always laughing or trying to get you to laugh. I can hear his unique laughter in my head every time I think of him. I am grateful my friend Gena found a man like him who got her gas, changed diapers, cooked good meals and loved her boys into being great men. Tim took a position in life and stood his ground, but never tried to make an enemy. I will miss his funny and sometimes almost inappropriate FB posts and his Political views for certain. I used to look for those. Sometimes they made my day. I know he loved the Lord and is with Jesus, but he will be missed greatly by those who knew him and especially by those who loved him. Gone too young...Love Always,Jenny

Gena and family, what a great picture you selected for this posting. It is truly representative of my best memories of Tim. It was this smile that was always so welcoming to those who met him or knew him. I served with Tim on a couple committees at the Polk County Buildings (PCBA) and Tim, at that time was telling all about the Church at the Mall. I can't believe it's been 14 years now since we began attending, now Lakes Church. I remember so many times while meeting up at the Church when I would tell my girls, we'll be parking next to the "Batmobile". I always say...hey see the tag girls? I want you all to know that I will also miss him and remember and cherish the times we had together over the years. May you find comfort and peace in time, as you come to know of Tim's presence with Our Lord and Savior, Jesus the Christ. Farewell Tim, my friend.
