It was a blessing to have seen Susie before her passing! Even though I hadn't see her in many years, like great friends do, we were able to pick up where we left off! I'm beyond thankful to have held your hand and hugged your neck on Friday...not knowing that would have been the last time I could see that sweet smile of yours. I am thankful for your genuine friendship, and love that you have shown me from day one. Thank you for impacting my life and so many others lives. You are one of a kind Susie Q! I will always hold you in my heart. You are pain free now, and I'm sure you're keeping everyone up in heaven laughing much! Rest easy, I love you! ❤️

Aunt Anita, we both know you are here with us...always. We love you and care for you deeply. We would rather have you safe and remain healthy at home. We shall see each other soon. Love you!

Wonderful pictures! Regret I wasn't there for your wedding and now, because of covid, can't be there for memorial service. Love across the miles, Anita Fecht Kline

Thoughts and prayers are with you Ann. I am sure Susie is in a better place, I know that she is free from her pain, My daughter loved her so much and they were friends since they were teenagers. She said that her and Susie had a great time Friday just remembering all that they did. She is so glad she got to see her then. May God bless and keep you in his arms during this time. I know how much you are missing her.
