Paulette was a wonderful, kind, gentle soul. Her laugh, not loud but so cute & contagious. She was a great listener, full of compassion. Many warm memories of her & Pastor Larry when they ministered together at Golden Gate Assembly of God in FL. So happy they are reunited before our Lord, worshipping once again together. Prayers for her girls who were so blessed to have her. J Nolder

It's hard to say just a little about her. She was just precious. I always tight of her and Larry as real life Ken and Barbie. Both beautiful and had such beautiful hearts. A great love for each other. She was family to us. My Daddy use to call her his other daughter. I don't think she really knew how much she was truly loved. God used her in so many ways and her love for God and family was unstoppable. Love you Paulette. I know you are rejoicing. Praying for her family, that God wraps his loving arms around you.

We only knew Paulette for a little over a year, but she treated us as if we were friends forever. She was one of the first persons to welcome us to New Life, inviting us to be a part of the church family with her warm smile. The last song we heard her play on the piano with her sweet smile at Tuesday prayer defined who she was. "God loves you and I love you and that's the way it ought to be!" We love you Paulette Bob and Kathy

What can I say about Paulette that her family and friends didn't already know? What I do know she use to be quite and was such a blessing when she did talk. She was so soft spoken. I remember one night we had a girls night with the girls in the church at our house and the guys went camping. We were all dressed for bed and decided we wanted ice cream.. we went in our pj's and gowns with our housecoats in our old Ford Galaxy.. we got there and turned the car off. Paulette was driving, When we all finished eating our ice cream she went to start the car and it was dead.. we didn't know what to do so Paulette suggested we all pray.. and pray we did.. she went to turn the car on again and it roared to life.. She made an impression on me that night with her faith and belief that God would take care of us.. Those of us left here will feel the missing piece she was in all of our lives. I for one will miss my "big" sister..
