Tayten & Robert Baker

AUG 26, 2020

On August 26th, 2020 two brothers tragically lost their lives as victims of a violent crime. Tayten Scott Baker (June 12, 2006) and Robert Andrew Baker (September 18, 2007) were just beginning a new chapter of their lives. Their parents recently purchased a home in Melrose and moved from Lakeland so they could be closer to their large extended family. These brothers were so excited to be surrounded by family and cousins.

Tayten, age 14, was always a happy kid. He never spoke without smiling and he lit up the room with his face and voice. He was a gentle soul with a heart of gold who made friends with everyone he met. He loved playing with and taking care of his youngest brother and helping anyone who needed it. He enjoyed cooking, listening to music, swimming, and playing outside. He was looking forward to camping trips with his family, starting a new school, and playing football.

Robert, age 12, was extremely smart and very athletic. He excelled at nearly everything he did. He was a 'straight A' student who was offered several scholarships to private schools, but always turned them down because he wanted to stay with his big brother. He loved playing video games, fishing, and playing baseball. He had a special connection with animals and nature and was looking forward to the many fishing trips planned, now that he lived closer to his poppa.

The Baker Brothers are survived by their parents Chad and Sarah Baker, little brother Landon Baker and 2 older brothers Kolton and Kolby Baker. The paternal grandparents Bob and Daphne Baker, and Aunt Misti. The maternal grandparents Andrew Benson and Deborah Benson, their children Adam, Nathan, and Andrew Benson. Their Aunt Amy and Uncle William Stills, and son William Stills. Their Aunt Cynthia Guinan and daughter Kaitlyn Wilson. Their grandmother Lorelei Guinan and great grandmother Bettysue Hall, along with numerous other aunts, uncles, and cousins. They are predeceased by their Aunt Andrea Benson.

The loss of these boys has shattered our family and the community. A Celebration of Life will be held for the brothers on Saturday September 5th at 1pm. The service will be performed at Living

I didn't know these boys personally but I'm a friend of their Aunt Kelly from upstate New York, She was so excited about all the cousins getting together and sharing time with Kelly's grandchildren Josh and Benny, It brings me such sadness and madness for these boy's to be with God at such an early age,I think God called them home because he Needed two of the strongest and Happiest of Boys to become Angeles that he hand picked because of how special they were. I am so sorry Sarah and Chad and little Brother and to Andy Debbie and all yur Family! May God continue to Bless you with Strength and Hope for a better Tomorrow with Beautiful memories that you and your Family share as life goes on. My Deepest Sincere Condolences to your Family and Friends. May God have Mercy on all of you as the Monster is given what awaits his Evil Soul! Sincerely Denise Livolsi
