She was a woman of many many talents and very caring filled with joy friends was never an option she was almost unable to keep track with them all she filled a room with her joy and her personality unable to keep track of the ways she was able to make you happy smiles for days and I laugh that was contagious she was one of a kind no other birthday senator but April fools Day. We were blessed to have had a mother like her forever and ever loved and we'll always be in my heart thank the Lord definitely gave us a gift and her name was Rebecca elen Waters...
