Words cannot express the sorrow I feel on the passing of Marvin. I was his co-worker and then advanced to be his supervisor. He always did whatever was needed and then more. I will miss his laughter, kindness, and even having cups of coffee with him. He always talked about momma (Elizabeth) and his grandkids. I also remember him relaxing on the front porch of his house. I will miss you dearly! My thoughts and prayers to the entire family.

I am sorry for your loss. I use to work with Marvin at Stericycle. I always enjoyed talking to him. He was full of stories to share. He spoke of his family often, especially the grand kids. He was a good man, thought of fondly by many. May god guide your family through this troubling time.
