Hello Mike's family, I'm sorry for your loss. Michael Hart was one of my favorite cousins! He always had such interesting ideas and a quick smile to tell you about them. I remember visiting him as he built The geodesic home out in North Dakota near his parents home. It was an amazing brave undertaking! But that's the kind of man he was! Sincerely, Your cousin, Francis Hutton (Mike's dad and my mom (Dorothy Hart) were brother and sister
