Deanna was my walking buddy when Morgan and my son were in elementary school at Berkley and again recently when they were in high school (different schools). Deanna was always so easy to talk to, and a good listener. She LOVED Morgan and Amelia and always talked about them. Her girls brought her so much JOY. I miss her already.

Our memories of Deanna all include Jessica- they dressed up in matching prom dresses or Daisy Dukes, fluffed their hair, and took exciting road trips. {I can't believe we allowed the trip to New York, but they came back unscathed} We were very happy that Deanna was Jessie's dear friend because she was such a sweet teenager. The fond memories will remain, but our deepest sympathy goes out to her family. With sorrow, The Dague Family
