I just found out about LuAnne yesterday at the studio where Issac danced . I am shattered. I could see how she and Jerry loved watching Isaac blossom in in dancing and she was also my greatest supporter. She always told me I was ready to compete and I never had the nerve. I am doing my first competition in a few weeks in her honor. I can feel her walking beside me. She is at peace. She is continuing to send love to everyone around her. It's like she is in another room. We just won't see her for awhile . Issac and Jerry she is always with you. I am overwhelmed with her spirit Love. Sandy Donnan

LuAnn and Kathleen Bedingfield, my daughter-in-law, became good friends while working together at Clear Lake Regional in Webster, Texas (also friends outside of work). I was blessed to have met LuAnn on several occasions. She had an absolutely wonderful personality, she was a happy, loving and caring Person. Kathleen cherished their friendship above all others, she felt a huge loss when LuAnn moved to Florida. God bless LuAnn's family, especially Issac, the center of her world!

LuAnne, Jerry, and Isaac are a God fearing, exceptionally giving, and Faithful Family! We all met in 2010 at Bay Area Christian School in League City, Texas. LuAnne, my sister in Christ, quickly became a second mother to Samuel. Isaac became a BEST FRIEND to Samuel. They were inseparable! LuAnne and Jerry took such great care of those boys and raised them to be the Godly young men they are today. Thank you, Adkins Family, for caring so much about the Askeland Family. Your friendship and LOVE matters greatly to us. We LOVE Y'ALL so much.

LuAnne was one of the first nurses I met when I started at the hospital. She was so funny and kept us in stitches. She was the kindest person I have ever had the privilege of knowing. She was always encouraging and supportive. I am going to miss her so much! My deepest condolences to her family whom she was so proud of and frequently spoke of.

I don't have the words to express how sorry I am for your loss, Jerry, Issac and Julie! Your loss is my loss too! LuAnne was quite possibly the most genuine person I ever met. She had unshakable faith right up until the very end and I so admired her for that. At times, SHE was comforting ME! She sent me a photo of herself that was taken at the end of June and , as sick as she was, she still had that bright, gorgeous smile on her face. LuAnne was beautiful to me. Not only her face but her soul was one of the most beautiful I have ever known. I know that she is rejoicing with God and her loved ones who have gone before her but I can't help but wish she hadn't left. This world was a much better place with her in it!!! I was so fortunate to be called her friend and I will miss her forever!

Lu, My dear cousin. You had a heart of gold and always did. I always looked up to you when we were kids. You were such an angel to so many people that you knew personally, let alone the thousands that you helped and took care of in the hospital. You were a blessing to all. I thank God everyday for all the help you gave me when my Mom, your Aunt was ill and passes away last year. You were a Godsend to me. I know you are in a better place with no suffering anymore, but we here are suffering from your loss. I pray daily for Jerry, Isaac and Julie. You will be dearly missed my sweet, sweet cousin.
