Damon Nielsen posted:

Uncle Ed was the most laid back person I've ever known. Your with Aunt Sandy now and no longer in pain. I love and miss you both.

Dad, you are dearly miss by everyone. You were the best dad in the world. I still try to call you everyday and think about calling you to talk about your day, my day, fishing and the grand kids. Football season just started and I know how much you loved the games and now I don't have you to talk about it. This loss has been really hard on me. I know it's a little selfish of me still wanting you to be here, but deep down inside I know you were ready to be with mom. I just want to say thank you for everything you did for us. It means a lot and I hope I can follow in your foot steps. Please give mom and grandma a hug for me. I am going to miss you very very much. I love you Dad! :(

Brother I'm lost not being able to talk to you everyday. You was the best Brother anyone could ask for. We have some great memories to hold on to fishing camping and working together at the Bakery. You was a wonderful Husband to Sandy and a great Father to Shawn and Charlie. I love you and will miss you till we meet again. Tell Sandy ,Mom, Pat Ray and Granny and Grandpa I miss and Love them. You are the most sincere, honest, and Loving man I have ever known. Till I see you again I love you your Brother Gene.
