We were blessed to meet Charlie and Garnett through the USS R.H.McCard reunion . We had so much fun with them , Charlie and my wife Teresa would just shake their heads when Garnett and myself would act up . We would not see each other a lot but when we did , look out . Their are certain people you are just SO Blessed to meet and they were that kind . We were on our way to another Navy reunion when we got the call . We will remember the great times we had . We will always hold you both in our heart , Until we all meet again Love you both Bobby & Teresa Brown
