So sorry for the loss of this lovely lady. I did not know her but her family is lovely.

Vivencio Dequilla October 30 at 10:11 AM

It is our deepest regret to know that you are no longer with us but on the other hand, We have been honored and privileged to know and be able to help you in a brief time with the challenging stage of your life. The only consolation we have now is that you are a true believer in Christ and we all know that you are presently in the presence of God. We are sorry for the loss. Thought and prayer to the family. May comfort and peace will be upon Boyd & Gutierrez family. Bro Zaldy

Oh my Luna, What a beautiful lady. We worked together for a few years, and even traveled to the Philippines together. You were such a hard worker, I never could figure out how you got everything done, but you never let us down. I feel very privileged to have had you in my life. GOD only takes to BEST.. Rest easy now, you have earned it. Love to Raul, Tommy, and the entire DDC Family!!!!....

Could have never thought finally seeing you over the summer would be the last time. A piece of glue that bonds your family so tightly, you will be missed incredibly by all that were lucky enough to know you. Watch over Raul and Cocoy.

Dear Pastor Raul - Never in a million years when you were ministering to our family over the loss of Josh, would I have believed less than a year later, you would find yourself and your son standing in the same shoes. My heart is just broken for your family. However, you now have a new desire towards Heaven and one day being called to its beautiful streets because we know that your lovely Ning is there. I hope she took a pan of Josh's favorite Filipino dish with her or she will never live it down! We love y'all and are praying for your healing. In Jesus's name... The Flynnns

Luna never treat us as a coworker but she treat us like a family member. . she call us anak (son/daughter) everytime that made us feel so much at ease even we have problems in the office. . Like a mother watching her childs first performance, she is very supportive and she always believe on us. She dream so much for us than we dream for ourselves. It breaks our heart to lost a wonderfull soul like Ate Luna, it will be lonely without her, but eventhough we can't be with her physically, she will always be in our mind and in our hearts. . we love you Ate Luna. . see you in paradise. .
