You will forever be Papaw Wolf to us. A sweet man with a tender heart who never missed a birthday-giving your own special serenade of Happy Birthday! So happy I have the last one you called to sing me on my voicemail. I will treasure it forever!! You are so missed & loved but we are so grateful your suffering has ended & now you're pain free in Heaven!

Vicki Ramsdell Spencer lit a candle in honor of Ralph "WOLF".

Ralph was my brother and we had lots of childhood memories growing up in Charleroi pa. and in Lakeland Florida. He was know to friends as "Wolf" because in his younger days he looked like Wolfman Jack a well known Disc Jockey. We had our ups and downs as siblings. But at the end of it all we loved each other. He had a big heart and sometimes a nasty attitude. But he was my brother and he will be gravely missed. Rest in peace Bubba
