Matthew Liam Gallagher

MAR 26, 2011 - MAY 18, 2022

Matthew Liam Gallagher, the precious and beloved son of Scott and Cori Gallagher and brother to Savannah Gallagher, went to his heavenly home to be with our Lord on May 18, 2022 at the tender age of eleven. Matthew was born on March 26, 2011 at Marine Corps base Twenty-Nine Palms, California. As the son of a Marine father, Matthew called many places home including Lakeland, Florida, Grand Prairie, Texas, Jacksonville, North Carolina, and Twenty-Nine Palms, California.

Matthew deeply touched countless others during his short earthly life. He exuded the true essence and epitome of boy. He attracted others to him with his zestful and playful approach to life. His sweet nature and kind hearted soul were evident as he consistently cared for and loved others. To know Matthew was one of God's great blessings and one couldn't help but to love him. Matthew was happiest when wearing his super hero costumes, wearing his Heelys, playing video games with his sister and friends, working on projects with his dad, and cuddling his mom. Matthew loved anime, outer space, dirt-biking, hockey, baseball, Spider-Man, and playing outside.

Pastor Jeff Sellers will officiate a service honoring Matthew at Victory Church, 1401 Griffin Rd, Lakeland, FL 33810, on May 26, 2022 at 5:00 pm directed by Gentry Morrison Funeral Home. The family will receive friends at a visitation preceding the service at 4:00 PM on May 26, 2022 at Victory Church.

In addition to his parents, Matthew is survived by his younger sister, Savannah; maternal grandparents Penny and Richard Earls; maternal grandmother, Shelley Bennett; many aunts, uncles, and cousins, both biological and chosen; and countless friends. He will be sorrowfully missed by all who knew him.

Obituary

Matthew Liam Gallagher

MAR 26, 2011 - MAY 18, 2022

It's sometimes hard to know
Why some things happen as they do
For so much joy and happiness
Was centered around you

It seems so hard to comprehend
That you're no longer here
But all the happy memories
Will help to keep you near

You're thought about with pride, son
With each mention of your name
Death cannot change a single thing
The love will still remain

Here are highlights from my photo album! Summer play in our backyard, Thanksgiving, a local hockey game, decorating Easter eggs, photo booth fun at Annabelle's birthday party, and all of us boating on Lake Texoma. Matthew was full of energy and always ready to have a great time! We miss him!

Our family had the joy of getting to know Matthew over the past year. He was a brilliant and energetic young boy. One of our favorite memories was watching him learn how to play guitar in our garage. He was very determined and said "I want to learn how to play EVERY stringed instrument!" He wasn't interested in learning the fundamentals, just wanted to jam out to his own tune, much like how he lived life. Matthew was great at catching bugs for our daughter, fishing in our pond, making people laugh, helping with projects and it was rare that you didn't see him jumping around on his pogo stick. I learned more from Matthew about planes and jets in five minutes than I had ever known. His company will surely be missed and we treasure these simple memories made with him. The picture below is from his 11th birthday, where he caught a 4 lb. bass. He was so proud!
