Kenneth Clark McPherson

FEB 26, 1966 - AUG 7, 2022

Kenneth Clark McPherson, age 56, of Lakeland, FL, passed away Sunday, August 7, 2022. He was born on February 26, 1966 in Columbia, South Carolina to Charles and Martha Earlene (Rush) McPherson. Kenny was an Outside Sales Representative for Chicago Metals Fabrication. His philosophy was “I’m always happy to win a new friend or win a new customer and if it happens to be both, even better.”

Kenny attended the University of Alabama studying Sociology and Anthropology. He was an avid Alabama and SEC fan, watching every game he could... “Roll Tide”. He cherished being with friends for good fellowship. In his own words, Kenny was an “unapologetic believer” in Jesus Christ and enjoyed worshipping at City Central Church in Lakeland. He was a good friend to all and wanted nothing more than to make sure everyone was happy and having a good time. He loved hunting trips with his son Riley and the funny, inside jokes and stories that they shared along the way.

Kenny is survived by his wife of 24 years, Dena (Mumbauer) McPherson; Son, Riley McPherson; Father, Charles “Pa” McPherson of Thomasville, GA; Brother, Scott (Fay) McPherson, Oviedo, FL; Mother and Father-in-law, Robert “Bob” and Jean “Jean-Jean” Mumbauer, of Lakeland; Brother-in-law, Chad (Raven) Mumbauer, of Lakeland; three nieces, and his beloved German Shorthair Pointer, Saban. He was preceded in death by his mother Martha Earlene (Rush) McPherson.

Memorial services will be held Friday, August 12, 2022 at 10:00 AM at City Central Church with the family receiving friends from 9am to 9:45. In lieu of flowers, the family requests memorial contributions be made to Take a Kid Fishing, Inc.; in Memory of Kenny McPherson.

Contributions may be made online at www.Takffl.com or by contacting William Dunn at 863-944-5641.

Kenny will be greatly missed. The little inside jokes were special to him. So, to sign off the way Riley would to his dad... “Hey, Dad, what time is it?”. Though time may have been cut short with

I thoroughly enjoyed working with Kenny for many years at Chatham Steel and I have thought of him many, many times since I retired seven years ago. See, Kenny would bring Boxes of Driscoll strawberries every time he came to Savannah for a meeting - and even now when I buy those Driscoll berries in the grocery store I see Kenny's smiling face and remember what great times we had together. Another memory that pops into my head often - we're both of Scottish descent so every time I hear someone say McFearson - I hear Kenny saying "There's no "fear" in a McPHERson"! What a Man!! I pray for God's Blessings for Dena and Riley in their loss of a Wonderful guy, and consolation in knowing that Kenny will Not be forgotten!George SummerellSavannah, GA

Kenny was always upbeat and had such a great attitude. I enjoyed working with him very much and considered him a great friend to have. He loved spending time with his family and spoke of them often. It was always a joy to hear him on the other end of the phone and to spend time with him while working in Orlando. I will miss him very much and will think of him often.

Kenny was a shining star who brought laughter and light to each work day. His southern charm and generous, kind spirit welcomed all he encountered. We traveled together frequently for business and enjoyed sharing our mutual appreciation for interesting foods and recipes, funny stories, sales strategy, and most importantly...creating photo adventures of his alter ego, Florida Man. I will forever remember Kenny as a dear friend and colleague who walked in faith and exuded passion for his work and immense love for his family and close friends. He will truly be missed.
