Wayne Earl Brackin

SEP 6, 1948 - OCT 9, 2022

Wayne Earl Brackin was born in Slocomb, Alabama on September 6, 1948 to Bunion Young Brackin & Mertie Jewel Smith Brackin. He was one of eleven brothers and sisters: James Benjamin Brackin, James Roy Brackin, Billy Ray Brackin, Donald Gene Brackin, Betty Jewel Murphy, Martha Merle Leopold, Carolyn Elizabeth Everlyn, Johnny Wayne Brackin, Tommy Brackin & Linda Sue Henderson. He moved to Florida as a child, a Lakeland resident of over 60 years. During his time in Florida, he married and had 2 sons Terry Dwayne Brackin and Michael Edward Brackin. He later found companion Teresa Huneycutt and had son Cory Wayne Brackin and daughters Misty Dawn Huneycutt and Mindy Lyn Huneycutt. Following soon after, he was blessed with 14 grandchildren: Cody Brackin, Bailey Birdwell, Katelyn Harrison, Brooke Armstrong, Eric Bednar, Justin Bednar, Mason D'azzo, Elaina Brackin, Aubrey Lynch, Addyson Lynch, Isabelle Lynch, Haedyn Huneycutt, Brayleigh Huneycutt, & Maycie Baker, and 5 great-grandchildren: Braylon Williams, Cohen Williams, Callahan Birdwell, Alan Harrison & Conway Harrison. He always enjoyed bringing the family together and hosting events locally and all over the south to bring people together.

His love for oysters ran deep in the Brackin family; Wayne owned many local oyster bars and restaurants—a way to share his love for food and family. Wayne's Smokehouse, Wayne's Oyster Bar, Cooter Brown's and Dino's were just a few places where many memories were made. He was also known for a spontaneous road trip to enjoy an oyster lunch. Travelling was another hobby for Wayne—he visited all but 5 states with his children. Wayne loved farming, cucumbers, black eyed peas and watermelon were his favorites. Most of all, most of his time was spent working hard with family.

His working years were invested in the construction industry, particularly land development, most recently as Project Manager for Highland Homes since 2005. He loved his work and the

relationships he built over the years. He was adamant about not retiring and working until his last day, which he accomplished!

Wayne was loved by many and will be deeply missed.

Shared many a belly laugh with Wayne over the years. Was a classmate of Johnny's and probably closer to Tommy because I was a Benny's regular for so many years. It was fun reconnecting with Wayne on Facebook these last few years. And he really enjoyed his retirement years as much as anyone and was happy for him. But now sad for his family which he clearly loved. Catch a few specks for me up in heaven buddy. The tribute was beautiful.

I worked with Wayne at Highland Homes for 15 years. When I first started we worked in the same office and I loved to hear his voice around the corner and see his smile. He was always generous with his spirit, great at his job and just really fun to be around, He will leave a whole in the heart of our Highland Family and will be greatly missed. Prayer for each of his family members as they cope with the loss of this beloved man.

My daddy, Richard Pridgen, ran Eastern Oil Company service station from 1969-1976, and Wayne was a loyal customer and good friend of his. My dad loved the Brackins, Wayne, Benny, Johnny....and spoke of them often. It's been an honor for me to get to know Wayne myself, these last few years. What a great guy!

Wayne had an amazing sense of humor and I love it! He could make you laugh when you were mad or sad. He was my brother-in-law for over 30 years so I will surely miss seeing him and my sister Teresa on their trips to Ohio and thank God for every time they made it here to see us. His son Cory has that same great sense of humor his dad had, and I think in that alone he has left a great legacy and Cory will continue it and keep us laughing and happy through the years to come. Smile down on us always big guy we love you and will miss you! R.I.P Wayne and Teresa together again.
