My heart is broken...you were my confidant, my friend, you got me...we shared several of life's heartaches together. We also laughed and cut up and had so much fun! I am so thankful that we got to be the ones to take you back home to Florida! Say hello to everyone in Heaven for me. We will see you on the flip side when it's our turn... I know you're giving the angels one heck of a time and cracking everyone up... you are and will continue to be my inspiration to strive and be the best that I can be! LOVE YOU! ❤️
