So very sorry for the loss of your mom and grandmother. I met Flo when I was 16 and worked with her at Centrac. She was a spunky spitfire, whose stories always kept us laughing. I'm sure she's making everyone in heaven crack up - may she rest in eternal peace

So sorry to hear this. Flo & I have been corresponding since she moved to Florida. We were co-workers at a place called Centrac way back ! I always admired Flo for her good humor & classy style. I was wondering why I hadn't received my traditional Christmas card. I am saddened by this & sending condolences to her family. She will be greatly missed.
