Pat was such an amazing person. I had the honor of serving as her Insurance Agent for many years. But she was so much more than a Client. She was absolutely a joy to be around. She would always make a room brighter. I am so sorry I missed the service. I had no idea she was gone. If ever a angle walked the Earth she had to be one of them. I will love and miss you Pat. God picked a rose and took it home.

I worked with Pat for many years. She was a beautiful, sweet peaceful person. She made great cookies. 🍪

Pat was a person I felt honored to call my very good friend. She was so kind, giving and so non-judgmental. She was well known in our community and loved by so many residents. I, along with many will miss her. Sending prayers to her family.

She was the best Granny because she was the best mother. Always understanding and level-headed. Never judgemental. The epitome of unconditional love. Thank you mom, for being you. I love you.
