Gibson Village in Lakeland where they met new friends and were well loved by the staff.

Family was always first and foremost and the time spent together was precious to her. She loved traveling to see her grandchildren and great-grandchildren and attended many family weddings and events. One of her goals was to attend all of her grandchildren's graduations, which she accomplished. She also planned several family reunions and loved hosting parties and holiday dinners, always including extended family and friends. Most of all, she was so proud of her daughters and beautiful family.

A casual memorial service will be held on Friday, August 25th at 11am with interment at South Florida National Cemetery in Lake Worth, FL. In lieu of flowers, donations may be made to a public school of your choice.

We met Marilyn and George 29 yrs ago when they walked over and introduced themselves as we were new to the neighborhood. We immediately had new friends! Marilyn had a love for life, always thinking about others and loved to entertain. But more than anything she loved her very big family. She was so proud of each and everyone of them and always loved sharing what each of them was up to. We stayed in touch after they moved, but she always remembered her friends. We feel so lucky and blessed to have had her and George in our lives. Our love and sympathy to Karen, Lori and Sandy and their families
