We had so much fun in the early years our kids were little . We went to Valley Falls . Regina (6 yrs old) was running to get in the water, well the risks were slick and she fell , Then jumped up and yelled that was "swicky." 😂 Lolla laughed so hard ,she would always refer to things as being "swicky". So if you ever heard her say "swicky" that is the story. I'll miss her and that great laugh. Love Diane
