Where is Brantley, His First wife or his girlfriend of 14 years Crystal A Russell? That just wasn't a tribute if you ask me. Why not one mention of his loving girlfriend who took care of him. AJ himself would have stood up in his grave. Just my truth. Not a picture of him and his son. Shameful. RIP AJ I know you would have wanted someone to stand up for you. Don't worry, because Crystal Russell still cares for you and your sons grave markers for you. She is a true testament to LOVE. Gone but not forgotten is TRUTH!
