My Aunt Blanche was always a very kind and sweet person. She always took care of others. I can remember, as a child, visiting her home. She was always taking care of elderly relatives that she brought into her home to live. It was definitely something that resonated with me, and I have always striven to be conscious of the needs of elderly people because of it. I life lived in the service of others, is a life well lived! I love you Aunt Blanche, and you will be missed.
