Alida Cooper was born on February 18th, 1957 in Warren, MI to her parents Madeline and Alden Clark. She was the 4th child of 6. Alida lived most of her life in SE Michigan and then moved to Florida in 2007 with her husband Ian and children.

We will always remember her beautiful smile and laughter. She was always happy and positive, fun to be around, having a good time with family. Her Aunt Alida, (who she was named after) would tell stories about their adventures and could never get through a story without laughing. She will be missed. Sending blessings & prayers to the family-Joe & Cindy Blasius
