As a student nurse Ms.Dansby allowed me and Marty (maybe others who I don't remember) to stick her with needles to practice starting IV's. What a marvelous effort to help train the next nursing generation. Much admired for her high standards.

Kasandra Bell lit a candle in honor of Geneva.

I remember Geneva when she did a small group in Ephesians, and it was so good. I felt the Lord in that small group. I also cherished taking her to church and back home again. She was a blessing to me. She prayed with me too. Kasandra Bell, and Stephen Bell Sr and SJ Bell
