Dennis R. Bryant

SEP 9, 1952 - AUG 18, 2024

Dennis R. Bryant was called home to the Lord with his family who loved and cared for him until his last breath by his side in the early morning hours of Sunday, August 18th following a brief illness. He was born in Bartow, Florida on September 9, 1952, to Robert E. Bryant and Ruth Myrina Bryant (nee Mills) and was a lifelong resident of Lakeland. He was a proud Red Devil, graduating from Kathleen Senior High School in 1971. Dennis was also the owner of B & B Auto Body Works, carrying the legacy of the business his own father started.

Dennis was a beloved father to his two children. Whether he was mixing the perfect shade of baby blue to then paint his daughter's entire dance class jazz shoes for their recital to "Blue Suede Shoes" or buckling his daughter's favorite bear that was once his own to the back of his motorcycle for a Saturday morning trip to fly kites he always made sure you knew you were loved.

Dennis was an avid deep-sea fisherman which was a passion he shared with his son and friends. No doubt he is headed out on his Grady White on a perfectly clear day with the waves rippling as the water changes from deep blue to green. He is inevitably chewing the butt of a cigarette, clear minded without the burden life bestowed upon him. He will be waiting on the other side for all of his fishing buddies.

Dennis was a member of the Kathleen Masonic Lodge and was an active participant in many community organizations that fostered youth development be it sports teams, 4H, FFA, or Central Florida Youth In Agriculture. He enjoyed classic rock and could belt tunes from all the greats be it ZZ Top, Creedence Clearwater Revival, Eric Clapton, The Doobie Brothers, or Jimmy Buffet (albeit slightly off key). He loved anything if it could go fast, be it a motorcycle, car, boat, or even a horse. All who knew him will remember his infectious smile and his love of a good time.

Diane Spencer lit a candle in honor of Dennis.

My heart is filled with a mixture of sorrow and gratitude. Sorrow for the immense loss we all feel, but gratitude for having had the privilege of knowing and loving Dennis for a lifetime. He wasn't just my brother, he was my friend, my confidant and a guiding light in all of our lives. Reflecting on our childhood, I'm instantly drawn back to those carefree days when Dennis was a spirited, wild child. I can't help but smile remembering how he was always on th go, his energy boundless. He was full of life, never slowing down. If he wasn't running the wrecker or gone deep sea fishing, he was busy handling projects for family or friends. Realizing that my only brother is no longer here rips my heart apart, but a part of me tries to accept it knowing he is no longer suffering. He will be missed beyond words. I know our mother is beyond rejoiced having her baby by her side again up in heaven. Love, Diane, Jeff, Jon and Shae
