Bob Shiver was my golf coach at usf in the early 80s and was a great guy. After golf we would sometimes go to the dog track and run into bob. run with out hesitation he would give us a tip, I remember he told us to bet on this dog because he's an A dog running in a C race, so we all bet it, unfortunately the dog came in last. Loved that man. I haven't seen bob for many years, until one day I went to our gym at Lexington oaks. Bob and his lovely wife , I just met, were on the treadmill. We talked alittle and got caught up about old times and what was new in our lives. His wife was a lovely person and very kind.i know He will be missed by many, . RIP Bob
